

OMER MERALOGLU

WORK EXPERIENCE

Frontend Developer SAB Turismo LTD

Turismo offers turnkey solutions for entrepreneurs entering the growing Medical Tourism industry in the cosmetic surgery and treatment sectors.

January 2023 - Present

- Developed the front-end of web applications utilizing React framework from concept to deployment.
- Implemented business logic to align with company procedures and drive growth.
- Collaborated with the back-end team to address complex front-end engineering challenges and provided support as needed.

Frontend Developer Internship Frontent Simplified

November 2022 to January 2023

- Transformed a static single page application into an interactive user interface using animations, transitions, and carousels.
- Utilized API requests with Axios to dynamically represent data from a cloud server, and used Git version control and the GitHub interface to work in a virtual and collaborative team environment.
- Utilized debugging best practices and simplified difficult programming concepts including responsive website development, CSS layout, Promises, and API requests.

Freelance Frontend Developer Self Employed

2022

- Developed 2 professional websites using HTML5, CSS3, JavaScript, and React. Built scalable ad-serving platform and optimized website performance.
- Implemented SEO, responsive design, multi-platform support, and hosting.
